

REPORT on “FDP on Recent Advancement on Control & Instrumentation”

Date- 10th July - 14th July 2023

Coordinators: Dr. Madhumita Pal (EE Dept.) & Dr. Rajib Malik (EE Dept.)

Organized by- Department of Electrical Engineering, IEM Kolkata and Technically Co-Sponsored by IEEE Joint CSS-IMS Kolkata Chapter.

A faculty development program on Recent Advancement on Control & Instrumentation was organized by Department of Electrical Engineering and technically co-sponsored by IEEE Joint CSS-IMS Kolkata Chapter from 10th July, 2023 to 14th July, 2023.

The Speakers and the title of the topics are given below:

Sl No.	Name of the resource person	Affiliation with Address, phone number and email	Title of the lecture
1.	Dr. Sohom Chakrabarty	Assistant Professor, EE Dept., Indian Institute of Technology, Roorkee.	Recent application of reinforcement learning based control in robotic systems
2.	Dr. Chayan Sarkar	Scientist, TCS Research	DL based approached for NLP and vision problems for robotics.
3.	Dr. Manas Bera	Associate Professor, EE Dept., NIT Rourkela	Event-triggered control.
4.	Dr. Samiran Chattopadhyay	Professor, Department of Information Technology, Jadavpur University	National Education Policy
5.	Dr. Pratyusha Rakshit	Associate Professor, Department of ETCE, Jadavpur University	Machine Intelligence Approach to Brain-Computer Interfacing
6.	Dr. Arun Kumar Verma	Associate Professor, Electrical Engineering Department Indian Institute of Technology Jammu	“Control application in power converters”
7.	Dr. Sanjoy Kumar Parida	Associate Professor Department of Electrical Engineering Indian Institute of Technology Patna	Robust Wide-Area Damping Controller for Critical Low Frequency Oscillations in Power Systems

8.	Dr. Aritro Dey	Assistant Professor Department of Electrical Engineering NIT DURGAPUR	"Design of Flight Control Law for Fixed Wing Aircrafts & Quadcopters : Few Aspects".
9.	Dr. Shubhobrata Rudra	Assistant Professor Department of Electrical Engineering NIT Rourkella	Application of backstepping controller for non-linear system

FDP included nine (9) speakers, 180 participants from all over India from different IITs, NITs, State Universities. Also we have participants from Woosong University, South Korea. The conference was concluded in Valedictory session on 14th July 2023.

THE HISTORY OF ROBOTS

tcs Research

- The word "robot" originates from the Czechoslovakian word robota which means work.
- "Robot" appears to have first been used in Karel Chapek's 1920's play Rossum's Universal Robots.
- Leonardo da Vinci sketched a mechanical man around 1495.
- Mechanical creatures from ancient Egypt, Greece, and China.
